PROFESSIONAL SUMMARY

Aspiring Java Full Stack Developer with strong foundations in object-oriented programming, web technologies, and database management. Skilled in developing, debugging, and optimizing applications with a focus on delivering efficient solutions. Experienced through academic projects and internships in applying Java, Python, and SQL to solve real-world challenges.

KEY SKILLS

- Programming Languages: Java, C, Python, PHP, HTML, CSS, JavaScript
- Frameworks & Tools: XAMPP, Visual Studio
- Database Management: SQL, MySQL, Relational Databases
- Web Development: Frontend (HTML, CSS, JavaScript), Backend (PHP, Java, Python)
- Software Engineering: Object-Oriented Concepts, Error Debugging, Web Application Development
- Productivity Tools: MS Office (Word, PowerPoint, Excel)

INTERNSHIP EXPERIENCE:

Intern – Software Developer Intern

Intelergy India Private Limited Bangalore | 2026

- Worked on real-time projects including Attendance Management System, Battery Monitoring System (BMS), and Internal Wiki Platform.
- Gained hands-on experience in frontend development, backend API integration, database management, and cloud services.
- Implemented BLE Bluetooth communication for IoT-based Battery Monitoring applications.

EDUCATION

Master's in Computer Applications

Sri Venkateshwara College of Engineering, Bangalore

CGPA: 9.19 | 2026

Bachelor's in Computer Applications

KLE Society's College of BCA, Gokak

CGPA: 8.80 | 2024

PROJECTS:

Stock Market Recommendation System

Technologies: HTML, CSS, PHP, Python, SQL, XAMPP

- Developed a web-based platform that analyzed stock market data to recommend investment opportunities.
- Implemented backend functionality using PHP and SQL for secure data handling.
- Improved user experience by integrating Python scripts for data analysis and stock trend predictions.

Agri Care-Webiste&APP

Technologies: Flutter Framework, Firebase and google map & weather API

- Developed a digital platform for farmers to book agricultural services and track providers online.
- Implemented secure authentication, real-time booking, and payment integration using Firebase.

CERTIFICATIONS:

- ICT Academy: Learathon-2022 Courses (Online)
- Rubicon LifeSkills: Employability Skills Training (4 days, June 2023)
- IobiT Solutions, Bengaluru: Innovating with IoT – Process Design & Development (3 days)
